JOHNNY DC SAYS: LET THE MAIL BEGIN!

Dear Johnny DC,

Thank you for a great comic book. I am a new reader – soon to be a subscriber. Please print my family's favorite Cartoon Network cartoon, FOSTER'S HOME FOR IMAGINARY FRIENDS.

John Lovolo
Philadelphia, Pennsylvania

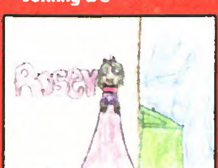

**Well, OK! Yes! Ta-daaa! – FOSTER'S HOME, right in this issue you're reading! (I love it when I can give good news like that!)
— Johnny DC**

Dear DC Comics,

You had on the back of one of your comics that you wanted to hear about my favorite shows and characters, so I wrote this letter. My favorite show is FOSTER'S HOME FOR IMAGINARY FRIENDS. My favorite characters are Bloo and Frankie. I was wondering if you could arrange for them to be in the comics.

Seth Poyfair
Portsmouth, Virginia

**Seth wrote this letter a while ago. Sometimes you have to wait a long time for what you want, but it's worth the wait!
— Johnny DC**

"NEW POWERPUFF GIRL" BY SARAH TULUENGA

Dear Blossom,

I have been trying to get a doll who looks just like you. But I can't find one.

Oh, and can you make a movie where the Professor turns you and Bubbles and Buttercup into teenagers and the Rowdyruff Boys are teens also?

Delaney Shultz, age 9
Mt. Vernon, Ohio

**Cool idea, but Blossom says that the girls are out of the movie business, for now. For new adventures of the Powerpuff Girls, this is the place to be; and for the Rowdyruffs, check out CARTOON NETWORK ACTION PACK.
— Johnny DC**

DRAWING BY DELANEY SHULTZ

Dear Johnny DC,

Goodness! I haven't drawn the Powerpuff Girls in ages! I almost forgot about our three little super-heroines. I have a weird style, do I not?

I think there should be an episode (if there isn't one already) where Mojo Jojo creates a time fast-forwarding thing and transports the Girls to the future. They could be teenagers. *cough* That's sort of how I drew them. Ha ha!

Well, what do you think, Johnny?

Alexandria Greene, age 10
Ellison Bay, Wisconsin

**I think you drew them just in time, Alex! I wonder what Delaney, who wrote the last letter, will think of them?
— Johnny DC**

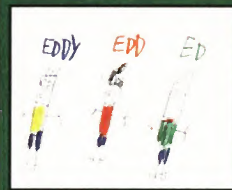

DRAWING BY ALEX GREENE

Dear Johnny DC,

CARTOON NETWORK BLOCK PARTY is so hilarious, I watch TV and read at the same time. I like ED, EDD n EDDY. My favorite episode is "Pop Goes the Ed." Anyway, I love CARTOON NETWORK BLOCK PARTY. Put more ED, EDD n EDDY in. I also like THE GRIM ADVENTURES OF BILLY & MANDY.

Maxwell Smith, age 9
Hamilton, Ohio

**Me too, Max, but you have a funny way of giving a compliment. It's like saying, "Dear Mr. Hamburger – Your burgers are so tasty, I eat ice cream at the same time." But you buy the comic, so you can read it the way you like!
— Johnny DC**

DRAWING BY MAXWELL SMITH

Dear Johnny DC,

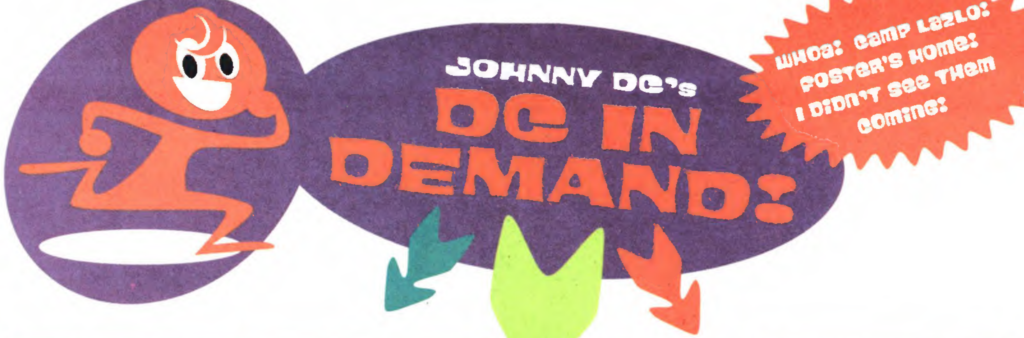

What happened to the POWERPUFF GIRLS comics? How come there aren't any more? Have you seriously run out of ideas?

John Luna
Madera, California

**The Girls moved to a new home, John. DC Comics NEVER runs out of ideas! If one of our writers runs out of ideas, we send him to Camp Lazlo (forever), and hire a new one! For proof, come back next issue for NEW stories of HI HI PUFFY AMiYUMi and THE POWERPUFF GIRLS!
